**STRUCTURAL STABILITY AND SAFETY CERTIFICATE**

This is to certify that the school building for Kottakkal Vidhyabhavan English Medium School, in R.S No 255/6, of Ward 8, of Building No:162 of Kottakkal municipality was inspected by me and found the following.

School building consists of two blocks, one in three floors with 578.75m<sup>2</sup> in each floors, and a second block of two floors with 286.60m<sup>2</sup> in each floor. There are two stair cabins with 22.35m<sup>2</sup> each. The first block was completed in 2006 and second on in 2011 respectively. Total area of both the building shown above is 2336.90m<sup>2</sup>.

Both the buildings are framed R.C.C structure and I certify the structural stability of the building with reference to IS codes.

Thanking

Yours faithfully
